Abu Dhabi content creators take on MIPCOM in Cannes

In collaboration with Blink Studios, Cube Production, and Tubestar Network, twofour54 hosted a panel discussion on 7 October entitled "From playgrounds to galaxies far, far away – Abu Dhabi's content evolution" at MIPCOM 2015. The panel was centred on Abu Dhabi's incredible journey in becoming a location of choice for content creation for global audiences. The panel was moderated by Christophe Erbes, the children's media author and former children's TV executive, and will feature Paul Baker, twofour54's Executive Director for Film and TV Services.

Abu Dhabi Film Commission has supported these productions by providing free scouting assistance, a diverse range of unique locations, assistance with permits and government logistics as well as the regions only 30% rebate.
